

Her Majesty the Queen

Miss Sally Stanton, 17 year old Pasadena Junior College girl who will serve as Queen of the 52nd annual Tournament of Roses parade in Pasadena New Year's day. She was chosen queen out of a group of 3000 Junior College co-eds. This year's parade will pass over a five mile route and will start at 9:15 A. M.

California's New Year's greeting to the world given in the form of a five mile long Tournament of Roses parade in Pasadena, will carry a patriotic theme from start to finish. All of the 55 flower decked floats are being constructed in keeping with the parade theme "America in Flowers". The floats will depict patriotic and historical events so dear to the hearts of Americans. Street decorations will be in red, white and blue and on the morning of January 1, 1940 10,000 American flags will be hoisted along the parade route and be displayed from buildings and private homes.

Details of the 52nd annual Rose parade and football game which follows in Rose Bowl, will not only be carried to all parts of the nation by radio, but the British Broadcasting System has made arrangements to cover the affair completely. The British have set up a telephone line connecting Pasadena and Montreal, Canada, from which point the story will be sent to London by short wave. Bombs or no bombs the British want the Pasadena program.

Grandstands have been erected along the parade line of march, hundreds of extra comfort stations have been erected and all arrangements made to accommodate millions of visitors on New Year's day. The parade will start at 9:15 a. m. It will take an hour and a half to pass a given point. New Year's afternoon and evening and on the following day, the floats will be exhibited at the Willard school grounds.

**Parking Tax Posts Burned Off Streets**

Parking meter posts have been removed from the business streets of Sioux City following the Iowa Supreme Court action finding the devices unconstitutional. Blow torches to burn off posts set in concrete and the ends of bolts by which other standards were held had to be used in the extended task of taking out about 500 meters, it is stated. The item notes that title to the gadgets was in doubt, since about \$8,000 of the \$25,000 cost of the meters was still unpaid.

**Folsom Inmates Save Tinfoil for Charity**

FOLSOM PRISON, (UP)—Approximately 700 pounds of tinfoil collected by inmates of Folsom prison were sacked and ready for delivery today to the Sacramento Elks Lodge where the metal will be sold for the benefit of the Elks Orphans' Christmas fund. Prison inmates already are making plans for their 1941 tinfoil campaign. They expect to save at least 1,000 pounds.

Pasadena has employed 1,300 policemen from other cities to assist the Pasadena force in directing traffic.

Business Cards, 1,000 for \$1.25, cash with order. Torrance Herald, 1336 El Prado.
